

# **GEORGE KEVIN GILLIAN M.D., F.A.C.S.**

## **CURRICULUM VITAE**

### **Business Contacts**

Virginia Hernia and Heartburn Institute  
8988 Lorton Station Boulevard, Suite 202  
Lorton, VA 22079  
703.372.2280 – office  
703.372.2024 – fax

Virginiahernia.com office web site  
Virginiaheartburn.com office web site

### **Education and Employment**

1984-1988 Duke University, Durham, North Carolina  
-Bachelor of Science-Biology and Psychology

1988-1990 University of Arkansas for Medical Sciences, Little Rock, Arkansas  
-First and second years of medical school

1990-1992 University of Missouri-Columbia School of Medicine  
-Doctorate of Medicine, May 16, 1992

1992-1993 Department of Surgery, University of Missouri-Columbia  
-Resident and Research Fellow

1993-1998 Department of Surgery, Western Pennsylvania Hospital, Pittsburgh, Pennsylvania  
-Residency, General Surgery

1998-1999 Minimally Invasive Surgical Training Institute, Baltimore, Maryland  
-Fellowship in Minimally Invasive Surgery, Director – W. Peter Geis MD.

1999-2002 Surgery Associates, Chartered. Clinton, Maryland

2002-present Advanced Surgery of Alexandria, President/Treasurer

2012-2015 Virginia Hospital Center, Physician's Group

2015- Present Loudoun Medical Group, Virginia Heartburn and Hernia Institute

### **Administrative**

2001- 2002 Chief of General Surgery, Southern Maryland Hospital Center, Clinton, MD

- 2000 - 2002 Creator and Surgical Director - Southern Maryland Hospital Reflux Treatment Center.
- 2002-2007 Director of Inova Alexandria Hospital Heartburn Treatment Center
- 2007- 2008 Chairman Department of Surgery, Inova Mount Vernon Hospital, Alexandria, VA
- 2007-present Founded Virginia Heartburn and Hernia Institute
- 2008-2016 Director of Heartburn Treatment Center, Virginia Hospital Center, Arlington, Virginia
- 2008-2016 Director of the Washington Hernia Center, Virginia Hospital Center, Arlington Virginia
- 2011-2012 Section Chief, General Surgery, Virginia Hospital Center, Arlington Virginia
- 2012-2014 Secretary-Treasurer American Society of General Surgery
- 2012-2015 CME Director, American Society of General Surgery
- 2014-2015 President-elect American Society of General Surgery
- 2014-present CPT advisor to AMA for American Society of General Surgery
- 2015-present Principal Investigator- Post Approval Study of the LINX Reflux Management System
- 2015- 2017 President American Society of General Surgery
- 2016-2018 Medical Director, Harbor Heights Medical Center, Oxon Hill, MD
- 2016-present Director Heartburn Center, Inova Alexandria Hospital, Alexandria, VA.
- 2017-present Principal Investigator- Retrospective Review of Outcomes following Hiatal Hernia Repair with MiroMesh Biologic Matrix

**Teaching**

- 1999-2000 Teaching Faculty for Laparoscopic Surgical Courses in: Ventral Hernia, Inguinal Hernia, Colon, GERD/Gastric and Solid Organ at M.I.S.T.I, Baltimore, Maryland
- 2000-present Teaching Faculty for Laparoscopic Surgical Courses in: Ventral Hernia at St. Peter's University Hospital, New Brunswick, NJ.

- 2000-2001 On-Site Moderator and Distance Learning Faculty for, “*A New Perspective On Laparoscopic Cholecystectomy: Avoiding Complications.*” Courses sponsored by Ethicon Endo-Surgery
- 2000-2002 Course Director for Laparoscopic Ventral Hernia Repair: A Distance Learning Program at GATE Institute, Holy Cross Hospital, Silver Spring, MD
- 2000-present Surgical Preceptor for Advanced Laparoscopic Surgery for DAVOL Inc., Ethicon Endo-Surgery and Applied Medical
- 2001-present National Speaker for the *Ventral Hernia “Roadshow”* sponsored by DAVOL, Inc.
- 2002-present Course Director for *Reducing Anxiety and Expanding Your Skills in Laparoscopic Surgery*, a multidisciplinary course sponsored by Ethicon Endo-Surgery at George Washington Hospital Center.
- 2002 Course Director for *Hand-assisted Laparoscopy and Colon Surgery*, sponsored by Applied Medical (Gel Port)
- 2003 Course Faculty, *Advanced Surgical Therapies for the Colorectal Patient*. Featuring Hand Assisted Colectomy and PPH procedures. Roper Hospital, Charleston, SC. Sponsored by Ethicon Endo-Surgery
- 2004 Course Faculty, *Strategies for Laparoscopic Cholecystectomy, Laparoscopic Nissen Fundoplication and Hand-Assisted Surgery*. Ethicon Endo-Surgery. Cincinnati, OH
- 2004 Course Faculty, *Cholecystectomy, Appendectomy, Ventral Hernia Repair and Lysis of Adhesions*. Ethicon-Endo Surgery, Cincinnati, OH
- 2004,2005 Faculty for Rocky Mountain Advanced Surgical Symposium
- 2004-present Course Director of *Laparoscopic Incisional Hernia Repair* courses at Inova Mount Vernon Hospital, Alexandria, VA. Sponsored by DAVOL, Inc.
- 2008-present Course Director of *Laparoscopic Incisional Hernia Repair* courses at Virginia Hospital Center, Arlington, VA. Sponsored by DAVOL, Inc.
- 2004-2006 Guest faculty and live surgery for International Hernia Symposium. Wiesbaden, Germany. Topic – Laparoscopic Incisional Hernia
- 2009-2010 Course Director for *Reducing Anxiety and Expanding Your Skills in Laparoscopic Surgery*, a multidisciplinary course sponsored by Ethicon Endo-Surgery at GATE Institute, Holy Cross Hospital, Silver Spring, MD

- 2011,2012 Guest Faculty for *Current Trends in the Evaluation & Surgical Management of Gastroesophageal Reflux Disease – A Practical Guide for the General Surgeon*, Denver, Colorado. Sponsored by the American Society of General Surgeons
- 2015-present East Coast training center for LINX procedure
- 2015-present Surgeon trainer and proctor for LINX procedure, Torax Medical/Ethicon
- 2016-present Surgical Faculty for James Madison University, Physician's Assistant training program.
- 2018-present Course director Laparoscopic and Robotic Hiatal Hernia Repair with Phasix Mesh, INOVA Alexandria Hospital Center, Alexandria VA sponsored by BARD a division of BD.
- 2019-present Director/Faculty, LINX Advanced Reflux Center Preceptorship Training Program for Ethicon, INOVA Alexandria Hospital Center, Alexandria VA.

### **Certification**

National Board of Medical Examiners Parts I, II, and III  
 Diplomate of The American Board of Surgery 11/3/99, Certificate # 44627  
 Recertification The American Board of Surgery 12/10/2009  
 Meeting MOC requirements

### **Licensure**

Maryland # on file, active  
 Virginia # on file, active  
 DEA # on file

### **Memberships**

Fellow of the American College of Surgeons (active)  
 American Society of General Surgeons (ASGS) (active)  
 Society of American Gastrointestinal and Endoscopic Surgeons (SAGES)  
 Society of Laparoendoscopic Surgery (SLS)  
 American Hernia Society

### **Research Experience**

- 1985-1986 Research Assistant, Transplant Immunology Lab, Duke University
- 1989 Research Assistant, Washington University School of Medicine
- 1992-1993 Surgical Critical Care Research, University Missouri-Columbia
- 1998-present Research in Minimally Invasive Surgery  
 Production of Instructional Videotapes for Laparoscopic Surgery  
 Clinical Research in Laparoscopic Surgery

- 2014-2019 LINX Post-Approval Study, Multi-site national study to evaluate LINX antireflux device  
2016-present Evaluation of MiroMatrix mesh in Paraesophageal Hernia repair

**Publications:**

*Iliac Vein Injury Called Serious Risk of Lap Anterior Spine Fusion*, in *Laparoscopic Surgery Update* 1999 Vol. 7(4):42-43

*An Algorithm for the Treatment of Chronic Pain After Inguinal Herniorrhaphy*, W Peter Geis, M.D., Kuldeep Singh, and **G Kevin Gillian, M.D.**, In Nyhus LM, Condon RE, Eds. *Hernia* 5th edition, Chapter 27 pp 307-315

*Curing Reflux and Hiatal Hernias –A Minimally Invasive Surgical Approach*, **Kevin Gillian, M.D.**, In *Health Scene*, Southern Maryland Hospital Center Publications, Winter 1999

*Open-minded hernia repair*, **G Kevin Gillian, M.D.**, In *Contemporary Surgery*, Sept 2001, Vol 57, No 9

*Laparoscopic Incisional and Ventral Hernia Repair (LIVH): An Evolving Outpatient Technique*. **G. Kevin Gillian, M.D.**, W. Peter Geis, M.D., Gary Grover, M.D. *JSLs* (2002)6:315-322.

*Laparoscopic Cholecystectomy*, W Peter Geis, M.D. and **G. Kevin Gillian, M.D.**, In *Prevention and Management of Laparoendoscopic Surgical Complications*, 2<sup>nd</sup> edition, pp 185-192

*Burst Strength of Ventral Hernia Repairs in a Chronic Porcine Model: Comparison of Repairs Fixated with the SorbaFix™ Fixation System to Those Using Permanent Fixation*. G. Kevin Gillian, M.D., F.A.C.S., Jeffrey R. Scott, Ph.D, Shiow-jyi Wey, Ph.D, Vincent Roy, P.Eng, Ian D. McRury, Ph.D., white paper released 2009 by Davol Inc.

*Fixation Burst Strength of Ventral Hernia Repairs: Using the PermaSorb Disposable Fixation Device Compared to Repairs Using Permanent Fixation in an Animal Study*, G. Kevin Gillian, M.D., F.A.C.S., Ian D. McRury, Ph.D, Jeffrey R. Scott, Ph.D, Shiow-jyi Wey, Ph.D, Vincent Roy, P.Eng., white paper released 2009 by Davol Inc.

*Robotic Duodenal Polypectomy and Pyloroplasty*, Michael Sosin, M.D, George Gillian, M.D., *Journal of Laproendoscopic & Advanced Surgical Techniques & Part B:Videoscropy*

*Objective Evidence of Reflux Control After Magnetic Sphincter Augmentation: One Year Results From a Post Approval Study*, Louie BE, Smith CD, Smith CC, Bell RCW, Gillian GK, Mandel JS, Perry KA, Birkenhagen WK, Taiganides PA, Dunst CM, McCollister HM, Lipham JC, Khaitan LK, Tsuda ST, Jobe BA, Kothari SN, Gould JC. *Ann Surg*. 2018 Apr 24. [Epub ahead of print]

*A Multi-center, Prospective Clinical Trial of a Hepatic Derived Porcine Surgical*

*Mesh for the Laparoscopic Repair of Symptomatic Paraesophageal Hernias.* Rosen MJ, Borao FJ, Binenbaum SJ, Roth JS, Gillian GK, Gould J, Heniford BT. Am J Surg. 2019 Aug;218(2):315-322.

*Retrospective Review and Prospective Follow-up of 85 Consecutive Patients Treated with a Novel Hepatic-Derived Surgical Mesh for Hiatal Hernia Repair: Outcomes, Surgical Complications, and Revisions.* Gillian GK. Bansal D. Laparosc Endosc Percutan Tech. 2019 Nov

## **Abstracts**

*Laparoscopic Giant Hiatal Hernia Repair: Technique, Risks and Benefits.* **G Kevin Gillian, M.D.**, W. Peter Geis, M.D., Marcos Berry, M.D., Constantinos Stratoulis, M.D. (submitted to SAGES 1999)

*Learning Models for Totally Endoscopic Coronary Artery Anastomoses: Design and Implementation.* W Peter Geis, M.D., Steven Lincoln, M.D., **G. Kevin Gillian, M.D.**, Thomas Kelly, M.D., Harold Tabaie, M.D. (submitted to The American Association for Thoracic Surgery 1999)

*4-D and 6-D Visualization in Minimally Invasive Surgery: Approved Visibility, Safety, and Efficiency.* W. Peter Geis, M.D., **G. Kevin Gillian, M.D.**, Marcos Berry, M.D. (Presentation at Medicine Meets Virtual Reality: 7)

*Laparoscopic Low Anterior Resections: A Work in Progress,* **Kevin Gillian, M.D.**, H Charles Kim, M.D. (submitted to SAGES 1999)

*Avoidance of Laparoscopic Port-Site Hernias: Use of Oblique Abdominal Wall Entry with Non-Bladed Trocars.* W Peter Geis, M.D., **G Kevin Gillian, M.D.**, Paul C McAfee, M.D., H Charles Kim, M.D., Constantinos Stratoulis, M.D., (submitted to SAGES 1999)

*Surgeon Rationale For Use Of Preceptorship In Minimally Invasive Surgery: Experiences And Outcomes.* W Peter Geis, M.D., H.Charles Kim, M.D., **G Kevin Gillian, M.D.** (submitted to SAGES 1999)

*Preceptorship Experiences in Minimally Invasive Surgery.* W Peter Geis, M.D., Constantinos Stratoulis, M.D. H Charles Kim. M.D., Paul McAfee, M.D. **G. Kevin Gillian, M.D.**, Marcus Berry, M.D. JSLs (1998)2:359

*Laparoscopic Highly Selective Vagotomy (HSV) as a Component of Nissen Fundoplication.* Constantinos Straoulis, M.D., W. Peter Geis, M.D., **G. Kevin Gillian, M.D.**, Marcus Berry, M.D. JSLs (1998)2:372

*Laparoscopic Pyloroplasty in Patients with Delayed Gastric Emptying.* W Peter Geis, M.D. Jeffery T. Zern. M.D. **G. Kevin Gillian, M.D.**, Mark Noar, M.D., Constantinos Stratoulis.

Minimally Invasive Therapy & Allied Technologies. 7(1). 1998. Presented at SMIT 10th Annual Meeting.

*Laparoscopic Giant Hiatal Hernia Repair: Technique, Risks and Benefits.* **G Kevin Gillian, M.D.**, W. Peter Geis, M.D., Marcos Berry, M.D., Constantinos Stratoulas, M.D. JLSLS(1998)2:373

*The Use of Handoscopy to Facilitate Laparoscopic-Assisted Splenectomy in Patients with Giant Splenomegaly,* Kuldeep Singh, M.D., W. Peter Geis, M.D., **Kevin Gillian, M.D.** JLSLS (2000)4:61

*Laparoscopic Nissen Fundoplication and Hiatus Hernia Repair in the Elderly,* Constantinos Stratoulas, M.D., W. Peter Geis, M.D., **Kevin Gillian, M.D.**, Jeffery T. Zern, M.D., JLSLS (2000) 4:62

*Ventral Heria Repair Strength with the SorbaFix Absorbable Fixation System in a Porcine Model,* **G. Kevin Gillian, M.D.**, Hernia (2009)

*Robotic Duodenal Polypectomy and Pyloroplasty,* Michael Sosin, M.D, George Gillian, M.D., SAGES Annual Meeting, Baltimore, Maryland. 2103

### **Presentations:**

*Common Iliac Vein Injury During Laparoscopic Anterior Spine Fusion.* **G Kevin Gillian, M.D.**, Marcus Berry, M.D., Constantinos Stratoulas, M.D. Paul McAfee, M.D. W. Peter Geis, M.D. JLSLS (1998)2: (Society of Laparoendoscopic Surgeons Endo Expo '98)

*Avoidance of Laparoscopic Port-Site Hernias: Use of Oblique Abdominal Wall Entry with Non-Bladed Trocars.* W Peter Geis, M.D., **G Kevin Gillian, M.D.**, Paul C McAfee, M.D., H Charles Kim, M.D., Constantinos Stratoulas, M.D., (SAGES 1999)

*Laparoscopic Diverting Colostomy for Fournier's Gangrene,* G. Kevin Gillian, M.D. Chiarmonte, Robert, M.D. JLSLS (2001)5:403, Society of Laparoendoscopic Surgeons 10th International Congress and Endo Expo.

*Adult Pyloric Stenosis- A Primary or Secondary Disorder: Laparoscopic Pyloroplasty as Definitive Treatment.* Kevin Gillian, M.D., W. Peter Geis, M.D. Constantinos Statoulas, M.D., Jeffery T Zern, M.D., Mark Noar, M.D. JLSLS (2000)4:41. 8th International Meeting of Laparoendoscopic Surgeons and Endo Expo '99.

Invited Speaker at International Hernia Society meeting in London 2003

Invited Speaker on the subject of laparoscopic ventral hernia repair for Hernia Repair 2004. The American Hernia Society annual meeting

4<sup>th</sup> International Hernia Symposium (2004). Wiesbaden, Germany. Invited speaker on *IPOM-Kugel Patch*

5<sup>th</sup> International Hernia Symposium (2005). Wiesbaden, Germany. Invited speaker and guest surgeon *IPOM-Kugel Patch*

6<sup>th</sup> International Hernia Symposium (2006). Wiesbaden, Germany. Invited speaker and guest surgeon *IPOM-Kugel Patch*

7<sup>th</sup> International Hernia Symposium (2007). Wiesbaden, Germany. Invited speaker and guest surgeon *IPOM-Kugel Patch and Emergency Laparoscopic Hernia Repair*

2009 National Hernia Symposium, Las Vegas, NV. *Laparoscopic Ventral Hernia Repair with Absorbable Fixation*

*Ventral Hernia Repair Strength with the SorbaFix Absorbable Fixation System in a Porcine Model*, 4<sup>th</sup> International Hernia Congress. Berlin, Germany. 2009

*Future of Fixation in Ventral Hernia Repair: Should We Compromise on Strength.* , 4<sup>th</sup> International Hernia Congress. Berlin, Germany. 2009

*Ventral and Incisional Hernia Repair*, 6<sup>th</sup> International Congress of the Asia-Pacific Hernia Society (APHS), Seoul, Korea. 2010. Invited Speaker  
*Emergency Hernia Repair- Laparoscopic Advantages*, 6<sup>th</sup> International Congress of the Asia-Pacific Hernia Society (APHS), Seoul, Korea. 2010. Invited Speaker

*Advanced Materials for Laparoscopic Ventral Hernia Repair* (Symposium) , 6<sup>th</sup> International Congress of the Asia-Pacific Hernia Society (APHS), Seoul, Korea. 2010. Invited Speaker

*Laparoscopic Hiatal Hernia Repair* (Symposium), Qingdao, China. 2010

*Laparoscopic Ventral Hernia Repair* (Lecture) Jinan, China. 2010

*Laparoscopic Ventral Hernia Repair Technique: Component Separation Technique* (Lecture) Jinan, China. 2010

*Laparoscopic Inguinal Hernia (TEP)* Bard Symposium, Taipei, Taiwan. 2010

*Component Separation Technique* Taiwan Hernia Society Fall Meeting. Invited Speaker. 2010

*Laparoscopic Inguinal Hernia Repair* Taiwan Hernia Society Fall Meeting. Invited Speaker. 2010.

*Laparoscopic Nissen & Toupet Funduplications*, American Society of General Surgeons (ASGS) meeting, Denver, Colorado. 2011

*Managing Recurrences & the Difficult Hiatal Hernia*, American Society of General Surgeons (ASGS) meeting, Denver, Colorado. 2011

*Motility Testing for the General Surgeon*, American Society of General Surgeons (ASGS) meeting, Denver, Colorado. 2011

*Laparoscopic Nissen & Toupet Funduplications*, American Society of General Surgeons (ASGS) meeting, Denver, Colorado. 2012

*Managing Recurrences & the Difficult Hiatal Hernia*, American Society of General Surgeons (ASGS) meeting, Denver, Colorado. 2012

*Robotic Nissen Fundoplication*, American Society of General Surgeons (ASGS) meeting, Denver, Colorado. 2012

1998-present    Research in Minimally Invasive Surgery  
                          Production of Instructional Videotapes for Laparoscopic Surgery  
                          Research in Laparoscopic Surgery

*Outpatient Laparoscopic Hernia Repairs in Older Patients*, Society of Laparoendoscopic Surgery (SLS) Annual Meeting, Reston, Virginia. August 2013.

*Sports Hernia and the General Surgeon. Can we Help?* American Society of General Surgeons (ASGS) meeting, National Harbor, Maryland. Aug 16-17 2013.

*Filling the Gaps in GERD Management*, 16<sup>th</sup> Annual DelMarVa SGNA Educational Conference, Annapolis, MD. March 1-2, 2014.

*Filling the Gaps in GERD Management*, Virginia Association of Physician Assistants Summer CME Conference, July 20-25, 2014

*Two-Year Follow-Up of Hiatal Hernia Repair: A Multi-Center, Prospective, Clinical Trial of a Hepatic-Derived Surgical Mesh*. Society of Laparoendoscopic Surgery (SLS) MISWeek Sept 4-9, 2019. New Orleans, LA.

### **Poster Presentations:**

*Laparoscopic Giant Hiatal Hernia Repair: Technique, Risks and Benefits*. **G Kevin Gillian, M.D.**, W. Peter Geis, M.D., Marcos Berry, M.D., Constantinos Stratoulis, M.D. (SAGES 1999)

*Surgeon Rationale For Use Of Preceptorship In Minimally Invasive Surgery: Experiences And Outcomes*. W Peter Geis, M.D., H.Charles Kim, M.D., **G Kevin Gillian, M.D.** (SAGES 1999)

*Laparoscopic Low Anterior Resections: A Work In Progress*, **Kevin Gillian, M.D.**, H Charles Kim, M.D. (SAGES 1999)

*Laparoscopic Ventral Hernia Repair: An Evolving Outpatient Procedure*, **Kevin Gillian, M.D.**, Gary Grover, M.D. JSLs (2001) 5:401, Society of Laparoendoscopic Surgeons 10th International Congress and Endo Expo.

*A Clinical Evaluation of MiroMatrix' Miromesh® Biologic Matrix for Hiatal Hernia Repair: 12 – Month Results*, Michael Rosen, MD, Cleveland Clinic; Frank J. Borao, MD, Monmouth Medical Center; Steven J. Binenbaum, MD, Monmouth Medical Center; J. Scott Roth, MD, University of Kentucky; **G. Kevin Gillian, MD**, Virginia Heartburn and Hernia Institute; B. Todd Heniford, MD, Carolinas HealthCare System; Jon Gould, MD, Froedtert & Medical College of Wisconsin; Rosen, MD, Frank J Borao, MD, American Hernia Society International Hernia Congress 2018

#### **Educational Videos:**

*Laparoscopic Repair of Paracolostomy Hernia.* **G Kevin Gillian, M.D.**, H Charles Kim, M.D. W.Peter Geis, M.D. (Accepted into SAGES video library 1999)

*Retooling Laparoscopic Cholecystectomy: Progress Towards Humanism.* W.Peter Geis, M.D., **G. Kevin Gillian, M.D.** (submitted to SAGES for 1999)

*Pyloroplasty, Laparoscopic Focus on Suture/Tying Devices & 5mm Harmonic Scalpel.* W. Peter Geis, M.D., **G. Kevin Gillian, M.D.** (submitted to SAGES for 1999)

*Laparoscopic Left Adrenalectomy: The Direct Route.* W Peter Geis, M.D., G Kevin Gillian, M.D. (Accepted for presentation at American College of Surgeons meeting 1999)

*Right Retroperitoneal Adrenalectomy: Maximum Versatility.* W Peter Geis, M.D., G Kevin Gillian, M.D. (Accepted for presentation at American College of Surgeons meeting 1999)

*Re-Engineering Laparoscopic Cholecystectomy: Elimination of Biliary Injuries.* W. Peter Geis, M.D., **G Kevin Gillian, M.D.** (Accepted for presentation at American College of Surgeons meeting 1999)

*The Use of Handoscopy to Facilitate Laparoscopic Splenectomy in Patients with Giant Splenomegaly.* **G. Kevin Gillian, M.D.**, Kuldeep Singh, M.D., W. Peter Geis, M.D. (Submitted to 2000 Clinical Congress American College of Surgeons)

*Laparoscopic Repair of Complex Lower Abdominal Ventral Incisional Hernias.* W. Peter Geis, M.D., Kuldeep Singh, M.D., **G. Kevin Gillian, M.D.** (2000 Clinical Congress American College of Surgeons)

*An Alternative Approach to Laparoscopic Cholecystectomy: LCS-5 in Lap Chole “Dome-Down”*. An instructional CD-ROM distributed by Ethicon Endo-Surgery at SAGES 2000

*Laparoscopic Resection of Giant Esophageal Diverticuli and Heller Myotomy*. W. Peter Geis, M.D., Kuldeep Singh, M.D., G Kevin Gillian, M.D. (2000 Clinical Congress American College of Surgeons)

*Science of the Harmonic Scalpel* (2002) Ethicon Endo-Surgery

*Laparoscopic Ventral and Incisional Hernia Repair with Composix EX Mesh*. G. Kevin Gillian, M.D. Distributed by DAVOL, Inc.

*Harmonic Scalpel Insight, LapChole & Lap Ventral Hernia Repair*. Ethicon Endo-Surgery 2004

Evolution of Hernia Repair. Cine-med, Continuing Medical Education Program

### **Projects**

Prospective Study Utilizing 5mm LCS energy source and “Dome-Down technique” to minimize injury during Laparoscopic Cholecystectomy. W Peter Geis, M.D., G Kevin Gillian, M.D.

On-Site Moderator and Distance Learning Faculty for, “*A New Perspective On Laparoscopic Cholecystectomy: Avoiding Complications.*” Courses sponsored by Ethicon Endo-Surgery

Course Director for *Reducing Anxiety and Expanding Your Skills in Laparoscopic Surgery*, a multidisciplinary course sponsored by Ethicon Endo-Surgery at George Washington Medical Center, Washington, D.C

Course Director for *Inserting Hand Assisted Laparoscopy (HAL) into your practice*. Sponsored by Applied Medical at the University of Tennessee Medical School, Memphis

Development of a National Training Center for Laparoscopic Ventral Hernia repair at Inova Mount Vernon Hospital in conjunction with DAVOL, Inc 2004-2007

Development of a National Training Center for Laparoscopic Ventral Hernia repair at Virginia Hospital Center in Conjunction with DAVOL, Inc. 2008-2014

### **Industry Affiliations**

Physician Consultant for Ethicon Endo-Surgery, Inc.

Physician Consultant and Speaker Bureau for DAVOL, Inc.

Innovation Council of Surgeons, Ethicon Endo-Surgery, Inc.

Proctor and Speaker for Applied Medical

Medical Advisory Board for Sandhill Scientific

Physician Consultant/Investigator/Speaker for Torax Medical

Consultant/Speaker for MiroMatrix

Consultant/Speaker for BD (Becton, Dickinson and Company)

**Outside Interest**

Foreign travel, wine tasting, piano, football, fly fishing and metal sculpture
